

Member Grievance Procedure

How complaints and disputes are handled

Stage 1 Informal resolution

Raise the matter with the office or open a support ticket from your member dashboard. Most issues are settled within five working days.

Stage 2 Formal complaint

If unresolved, submit a written complaint to the Secretary. You will receive an acknowledgement within three working days.

Stage 3 Grievance sub-committee

A panel of three committee members, none of whom is connected to the matter, reviews the complaint and issues a written decision.

Stage 4 Appeal to the general membership

A member may appeal to the Annual General Meeting. The decision of the general membership is final.

Records

All grievances are logged in the ticketing system with outcomes reported in anonymised form in the annual report.
